Virtual Designs

No longer confined to our physical surroundings, there's literally a whole world out there to choose from and it's called the World Wide Web. Here's our pick of the month

COMPILED BY: IANA TZVETKOVA

SLEEPOVER!

WWW.UTILITYDESIGN.CO.UK

The modular Bunky is a vibrant, fun and contemporary solution for any child's modern room. Your little ones will have nothing but sweet dreams in this bright and funky bed.

BIRD OF A FEATHER

WWW.LOLLDISIGNS.COM

A little birdy told us that this charmingly modern birdhouse from Loll is the hottest new trend in avian living. Hang one up in your garden and unleash your inner ornithologist!

MEETING

WWW.NIEUWEHEREN.COM

Inspired by a WWII searchlight, crafted from wood, steel and concrete and revolvable around its two axes, this beautiful lamp is a unique statement piece.

MIRROR, MIRROR

WWW.GRAINDESIGN.COM

From precision style and design – hours of work come together to make this stylish hand mirror. Bonus: It's ethically produced and made from renewable materials.

COUNTING DOWN THE DAYS

WWW.UNITSOFTMEASURE.NET

With a stunning geometric design displaying 12 units of measure integrated into the 12 months of the year, this calendar poster is both practically functional and aesthetically pleasing.

IN STITCHES

WWW.XENIATALER.COM

The craftsmanship is the work of Bedouin women living in the Sinai region of Egypt – a project developed to bring economic opportunities to artisans around the world.

RENAISSANCE

WWW.MINEHEARTSTORE.COM

Designed by duo Young & Battaglia in collaboration with artist Himitsuhanu and made in England by Mineheart, this exquisite cowhide rug is truly a piece of art.

YOU SNOOZE, YOU LOSE

WWW.DISTILUNION.COM

No more knocking your phone off the nightstand or accidentally turning your alarm off. Never be late again with this must-have iPhone dock with integrated snooze button.

PHOTOGRAPHY: SUPPLIED

SET THE MOOD

WWW.LADIESANDGENTLEMENSTUDIO.COM

Who could have imagined that paring down the noble light bulb into its two elemental ingredients – the illumination and its source – could result in such an elegant pendant.

HANG IN THERE

WWW.ANDVICEVERSA.COM

These Italian made artisanal bookshelves are comprised of modular elements designed to rotate on their central axis to create endless combinations and effect.
